**Candle Recycling:** This new initiative is aimed at recycling our old candles – saving them from going into landfill and providing a source of material to produce new candles. You will find containers at the back of

the three churches to put any form or type of used candles you may have, and these will be collected for recycling on a regular basis.

**Gift Aid Envelopes for 2024-2025:** – We will shortly be organising the new boxes of gift aid envelopes for the next financial year. If anyone would like to join the envelope scheme or would like to change to make their donations by standing order, could you please contact Fr. David or Alison Butler. NB. Please note that the number of most people's envelope will be different. **Please check for your name, not your old number!** The Gift Aid will be counted and paid in as part of the collection in whichever church the envelope is deposited and will count towards a joint claim. The new envelopes will be available for collection in a few weeks' time, ready for the new financial year.

**Names on the Sick List:** If you have placed a name on the Sick List, can you please send me a note or an email to let me know how this person is doing? Also, please can you let me know whether or not they live in one of our parishes? This list is getting ever longer, and I will have to find a way of managing it. Thank you, in advance, for your help.
