Parish Hall: The Parish Centre Committee have been seeking sources of new income for the Parish Centre as many previous users of the centre have not returned following the Covid Pandemic. The Committee have recently agreed to extend the relationship with Crazy Crackers who are the before and after school provision for our primary school, they will now use the centre for a "Holiday Club" providing child care for parents during the school holidays. The service is currently being trialled and the Committee is aware that this new arrangement has impacted the meeting dates/times for some of our users, notably the Wednesday Club, and are grateful for their understanding. Their agreement to accommodate these changes will help to offset the significant increase in the costs of running the centre. The viability of this new service will be reviewed on a term-by-term basis and all users will be informed immediately of any changes.
