GARDEN CLUB UPDATE As you will have seen much has been going on in the Graveyard with hedges cut, diseased Elm trees felled, new grassed areas and the levelling of the "mound" ready for development. The small dedicated group of helpers have done a wonderful job and our thanks goes to them for their continued efforts. It is not easy with such a large area of ground and more help would be gratefully received. Autumn, Winter and Spring are on the way and there is much to do - so please come along and help any Saturday morning around 10.00 - you will be most welcome.
