SUNDAY 7th JUNE 2020

ST. MARY'S LANGHO

TRINITY SUNDAY

CHURCH One of the hardest thing to do at the moment is to talk to people at the doorstep or now in the garden or back yard. We like to invite people into our homes. What do we often say "Make yourself at home."? There is a beautiful Russian icon of the Blessed Trinity. The three persons are sat at a table sharing a dish of food. At the front of the table there is a vacant place. That is intended to convey openness, hospitality and welcome to the stranger and outsider. That vacant place is meant for each of us and for the whole human family. God does not talk to us on the doorstep. He invites us to come in and sit at his table. Let us hope it won't be long before we can once again do the same with each other. Keep strong.
