The Christmas Fair is rearranged for this Sunday 17th December in the School after the 11.00am Mass. I promise not to keep you long this morning..... Do come and enjoy the fun of the fair along with the school and the parish. As you know the fair is a great help financially to both parish and school.

Lists are at the back of church for new rotas for Welcoming, Readers and Eucharistic Ministers. Thanks to all who give their services so willingly to our parish. Much appreciated.

Advent Reconciliation Service in St. Mary's Langho on Wednesday 20th December at 7.30pm. It will follow the usual format. All welcome.

This week we begin the new Mass schedule in both our churches. Can I thank the priests who have faithfully covered the Masses over the last few months. Canon Dorran was very grateful for their services and so am I. Now we must manage on our own and hopefully grow stronger together as one parish with two churches served by one priest..

A lock is being fitted to the front for of the church to enable direct access into church for those who are helping in church. This will enable ease of access.

Christingle Service with St. Mary's School in church on Monday at 6.00pm. All welcome to this pre Christmas celebration led by the children..
